In The Matter of:

AMENDMENT OF SECTION 73.202
OF THE COMMISSION'S RULES

FCC - MAIL ROOM

PETITION FOR RULEMAKING

On this the 11th day of March, 1993, Jerry E. White and Donald F. White d/b/a "**Seminole-Decatur Radio Company**" respectfully request the assignment of Channel 298A to the City of Donalsonville, in Seminole County, Georgia.

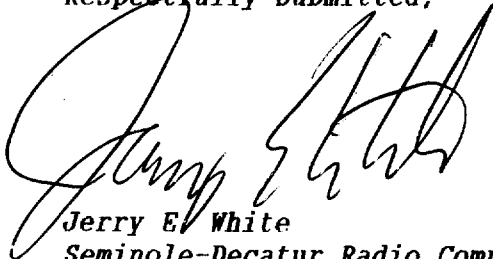

Seminole-Decatur Radio Company commissioned a search of the FM band to locate a channel for Donalsonville, Georgia. The results of the search showed that FM Channel 298A can be assigned to Donalsonville, Georgia, without requiring a deletion or substitution in Section 73.202. Exhibit TE-1, which is attached and hereby incorporated, shows that Channel 298A can be located in Donalsonville.

The assignment of Channel 298A would provide the city with an additional source of news and coverage of local events.

As a result of the foregoing, **Seminole-Decatur Radio Company** respectfully requests the Commission to amend Section 73.202 to specify the assignment of Channel 298A

to Donalsonville, Georgia. Upon assignment
Seminole-Decatur Radio Company shall apply for a
construction permit, and upon grant, shall promptly
construct it's station.

Respectfully Submitted,
